

SD Motion Drive WHEEL UPGRADES

STANDARD SD MOTION WHEELS

Our standard SD Motion Drive wheels come with black pneumatic tyres, black rims and hubs.

Black pneumatic tyres
Puncture proof inserts

Included
£95 a pair

OPTION 1. UPGRADE TO SCHWALBE TYRES

Marathon Plus tyres are Schwalbe's best selling model. They say they're the most puncture resistant pneumatic tyre there is.

Black Schwalbe Marathon Plus tyres
with silver rims and hubs

£100 a pair

OPTION 2. SPECIAL WHEEL BUILD

If you want to beef up your wheels for a more robust, outdoor feel, choose a pair of mountain bikes tyres with Tannus inserts.

2" wide Schwalbe Mountain bike tyres with Tannus inserts, black rims, black hubs. Includes pneumatic inner tubes and stan slime;

Special build wheels

£500

OPTION 3. FREEWHEEL FRONT WHEEL

The FreeWheel lifts your wheelchair casters off the ground, turning your chair into a 3-wheeler and works well alongside the Special Wheel Build to create an off-road wheelchair - SD Motion Drive Plus. The FreeWheel enables you to roll over any terrain such as curbs, dirt trails, grass, gravel, snow, and sand.
